**EBY RUFF NECK**

**QUALITY TRAILERS FOR THE SERIOUS HAULER**

- **LIGHTWEIGHT**-Eby stock trailers are 25-35% lighter than comparable steel trailers. Less weight means better fuel mileage or increased payload.
- **MAINTENANCE**- Eby aluminum trailers won't rust. Welding and painting can cost you dollars in down time and repairs.
- **DURABILITY**- Eby trailers are built tough. Quality components and 6061 alloy aluminum provide the ruggedness required in a livestock trailer.
