

POWER IN THE PALM OF YOUR HANDS

Ever since Woods introduced the world's first successful tractor powered rotary shredder back in 1947, we've never handed you the same old line.

Instead we continue to innovate and improve our products to provide equipment packed with performance, reliability and more value.

The results: a line-up of over 50 powerful products including mowers, rotary cutters, rear scraper blades, backhoes and specialty machines. The best that money can buy.
