LIQUID MANURE PUMP HEADQUARTERS

TP 270 Homogenator[®] Manure Pump

A new generation in liquid manure handling technology!

**PUMPS IN STOCK-
READY FOR
IMMEDIATE
INSTALLATION!**

- Operates at 2900 gpm to provide high-speed agitation in even the largest pits.
- Impeller delivers more than 7,000 cuts per minute to make short work of solids.
- Requires very little maintenance thanks to the famous "rubber bearing" design.
- Heavy gauge galvanizing protects exposed components.
- Complete inventory of parts always in stock.

The results you may achieve with your Harvestore[®] System depend primarily upon your management skills and may vary from successful results achieved by others. Any application to a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location. Harvestore is a registered trademark of A O Smith Harvestore Products, Inc.
