BUSH HOG®

DIVISION OF ALLIED PRODUCTS CORPORATION

Winning with quality.

THE SMALLER-SIZED LOADER WITH A HEFTY LIFTING CAPACITY.

Bush Hog's 2240 QT Front End Loader gives you a hefty lifting capacity at an affordable price. It's recommended for 2 and 4-wheel drive tractors with 15 to 30 hp—yet it will lift 1000 pounds to a height of over 8-feet. Breakaway capacity is 1500 pounds and the 2240 QT will attach to over 60 tractor models. 48 and 60-inch material buckets are available for use with the loader. It's an ideal choice for dozens of uses by nurseries, contractors and municipalities. Come in and see the 2240 QT. It's small enough for your pocketbook, but big enough for your job.

WHY BUSH HOG SQUEALERS MOW DOWN THE COMPETITION.

There are two basic reasons and quality is the first. Each Squealer model is equipped with Bush Hog's tough, patented gearbox. All models except the 42 inch wide cutter feature oval blade pans, and the 60 and 72 inch wide models have an "in-line" shear bolt with ball bearing protection that can be replaced in a snap. An optional slip clutch is available.

The second reason for the Squealer's popularity is price. Select any of five models, 42 to 84-inches wide, and compare prices with the competition. With a true price and quality comparison, it's easy to see why Squealers mow down the competition.
