

High Capacity Tedding with Gentle Rotary Action

Ted anything, from heavy sudan to freshly mown grasses, evenly and fast, with Vicon's vertical tine RS 510T trailed tedder. Working at 16' 7", it covers ground fast. Six unequal length tines per rotor improve the tedding action. You can turn the four PTO powered rotors at less than 180 RPM's with the optional speed reducing gear box. That's gentle for light fluffing with minimal leaf loss. Spring-loaded wings fold up for a compact 9'2" transport width.

Speed curing and drying time when hours make the difference. Check out the performance, and the price of the RS 510T today.

\$ 3,250.

Performance you can afford to take home
