E-Z Dumper

**TURN YOUR PICKUP
INTO A DUMP TRUCK IN
LESS THAN ONE HOUR.**

E-Z Dumper is the original hydraulically operated dump unit for pickup trucks. With E-Z Dumper you can unload your pickup truck bed in under thirty seconds with the turn of a key. You'll never have to unload your truck by hand again!

The E-Z Dumper can hold and unload up to 4,000 lbs. or two cubic yards of firewood, topsoil, gravel, mulch, grain, or whatever, depending on the weight-carrying capacity of your truck.

Easy To Install And Operate.
Do-it-yourself installation of E-Z Dumper is a breeze. No alterations are needed for most trucks.

Just slide the dumper into your truckbed, secure it with bolts and holes already on your truck, and you're ready to go. We even include the hydraulic fluid!

A Durable Investment.
E-Z Dumper is designed to take a beating from the toughest loads, from two yards of cordwood to two tons of crushed stone, while providing you with years of reliable service.
