Introducing
The Wrangler 2000-OH
Inexpensive. Not cheap.

The Wrangler Model 2000 OH represents a new level of value in livestock trailers

Its standard specifications, top quality components and proven engineering are found in other Wrangler models. But the new 2000 OH is less expensive. By standardizing height and width and by limiting the number of optional accessories, Eby lowers the production costs for this model. Now you can get all our traditional craftsmanship in a top value gooseneck.

Unlike other 'budget' trailers on the market, the Wrangler 2000 OH achieves a price breakthrough without compromising quality. Consider these features, standard on the new Wrangler 2000 OH

- 7,000# Dexter Torque-Flex axles
- Steel-bolted radial tires, 10 ply rating
- Aerodynamic, attractive design
- Sealed beam lights with enclosed, externally accessible wiring
- 2 year warranty

Specifications

- Available in 14', 16', 18', 20' lengths
- 7' Width
- 6'6" Inside height

Special introductory pricing.
All this and more for under \$9,000.*

* Introductory price of a standard 20' model as illustrated. Freight taxes title dealer prep not included.
