

At a retirement party, on Thursday evening, complete with blue and white balloons, spotlights, and ice cream, Jay Irwin, retiring Lancaster County agent, and his wife Betty were honored by family, farmers, agribusiness associates, and friends — more than 300 of them. Many citations, remarks of praise and admiration, were given. In a special tribute, the title of County Agent Emeritus was created by Penn State in order for Jay to maintain his valuable presence in the extension system. Jay and Betty are scheduled to fly to Poland in early June to represent the university on a teaching mission to the Polish County Agent System. John Schwartz, the newly appointed Lancaster County agent, made the announcement and the presentation. In the photo at right, John Schwartz, center, with Betty and Jay Irwin. Above, Jay and Betty thank the crowd for their support and well wishes.

ADC - For the Long Pull

"When non-members ask me why they should belong to Atlantic Dairy Cooperative, I tell them that ADC offers a guaranteed market, financial stability and outstanding benefits.

Robert B. McSparran
President

"We're the region's most successful co-op. In the past four years, we have returned more than \$94 million to members in dividends, over-order premiums and quality bonuses. That's an average of nearly \$27,000 per member.

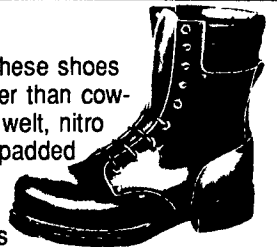

"If you are not an ADC shipper and are having second thoughts about your own milk market, then you should talk to the one with staying power."
