GEHL

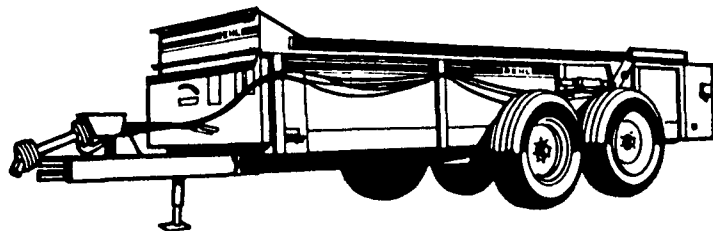

For jobs that aren't fit for a tractor

The Gehl 4510/4610 Skid Loaders are the machines you can count on to get the job done. The more you use a Gehl Skid Loader, the better you'll like the job-tough, time saving features:

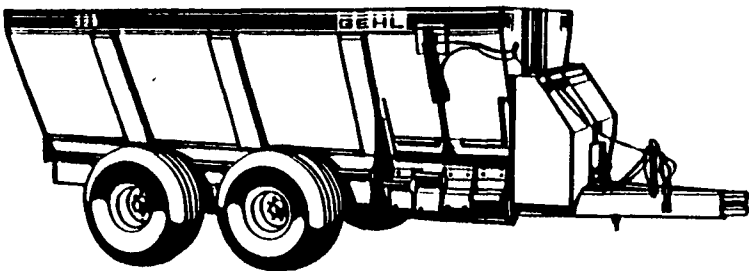

- Self-leveling lift action
- Side mounted Load-Trak T-bar controls
- Easy to view instrumentation
- Roll-back ROPS for easy serviceability
- High-output hydraulics for smooth operation of a wide range of attachments
- And much more. See your Gehl Dealer today on how the 4510/4610 Skid Loaders can get the job done for you.

Unbeatable... Priced right

If you handle mostly solid manure, a Gehl box spreader has the performance features you want at a price you'll appreciate. Features include special Gehl-Tuff flooring that prevents the apron from freezing to the floor and lets manure slide out with little resistance, 12-gauge, corrosion-resistant GEHL STEEL sides for strength and endurance, wide-spread beater paddles for wide, even spreads, constant velocity pto, and a standard two-speed worm drive transmission. Add a 10-year warranty on the floor and sides and you have an unbeatable package available only from your Gehl dealer.

The one spreader for the two spreader farm

Spread liquids, semi-solids, solids, pen-packed, even frozen manure. A Gehl Scavenger® II manure spreader does the work of two spreaders for the price of one. It's built for efficiency, with a heavy-duty square-tube auger that works harder than conventional round augers. The auger powers up and down hydraulically to prevent bridging and cut through winter-freeze-ups. Variflo front, right-hand discharge gives you complete application control.

CASH REBATES — OR —

INTRODUCING The Best Financing Deal In Farm Machinery Today. FREEDOM FROM PAYMENTS, Or FREEDOM FROM FINANCE CHARGES.

No payments or finance charges until Oct. 1, 1991. Plus get 7.9% LOW APR for up to 30 months after that!
