Some dogs will stop at nothing.

If you ever thought about giving your dog the run of the yard, but couldn't see putting up a big fence to do it, a DogWatch™ Hidden Fence System could be what you're looking for.

DogWatch™ keeps an "eye" on your dog by transmitting a harmless radio signal through a hidden boundary wire. A special receiver collar then warns the dog when it gets too close.

Find out more about DogWatch™ Hidden Fence Systems by calling us today.
