

BEILER ENGINE SERVICE

280 PENNSY RD
NEW PRIDMORE PA 17250

This twin 20 hp is becoming very popular for hay balers and other applications traditionally equipped with 2 cylinder Wisc. engines and can also replace the older 4 cylinder engines on some applications.

This engine has been in use on hay balers for over 10 years and is doing a very good job. We can also mount Wisc. clutches or reductions on it for some applications. Fuel efficiency is very good.

Buy now while we still have this heavy duty engine. New model coming next year.
