NH 570 BALER

The "570" New Holland square baler from Ford New Holland brings together performance and reliability, along with improved capacity.

- New rotary feeding system. Adds consistency and bale quality, with simpler maintenance requirements.
- Faster plunger stroke. 93 SPM. A Cat. six driveline and increased slip clutch setting add capacity.
- Wider Super-Sweep pickup. Five percent wider than its predecessor's.
- Stronger materials. In the bale case and plunger.
- Gear-driven tying mechanisms. Choose wire or twine.

SAVE ON HAY AND FORAGE-WAIVER TIL 12/1/91!!

NH 28 FORAGE BLOWER

There's no need to slow down silo filling by using an inefficient blower. The New Holland Model 28 forage blower will put a halt to that. It's built to reduce plugging and save time. The Whirl-A-Feed® table breaks up heavy clumps and spins the crop into the blower at high speed. This means less drag on the fan and more efficient use of your tractor's horsepower.

OVERSTOCKED! DUE TO EXTREME DROUGHT CONDITIONS
