Gehl Skid Loaders Win Hands Down

Precise bucket and drive control is easy with Gehl's exclusive Load-Trak T-bar hand controls.

Performance features include:

- **Tilt-back cab** - Provides easy engine access for servicing.
- **Quick-Lock attachment system** - For fast attachment changes.
- **Eight models** - With SAE operating capacities from 750 to 2,050 lbs. to meet your needs.
- **A choice of gas or diesel engines** - Rated from 20 to 60 horsepower.
- **Large selection of attachments** - Means versatility.

North America's #1-Selling V-Tank Spreader

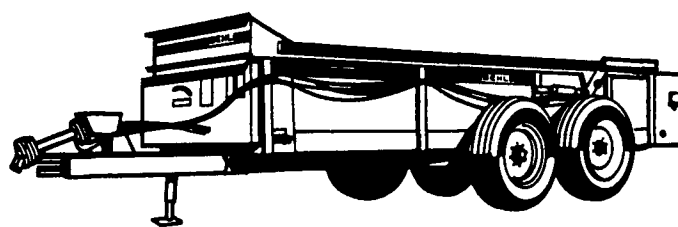

The Gehl Scavenger® II is the "original" V-Tank spreader and still the best. It delivers outstanding performance in all types of manure, from liquid to semi-solid to pen-packed or even frozen manure.

- **Patented square-tube auger** - Hydraulically powers up and down to break up solid material.
- **Variflo discharge** - Spreads smoothly and evenly for complete application control.
- **Five models** - From 192 to 596 bushel heaped capacities to match your operation.
- **10-year warranty** - Against rust-through on the tank for peace of mind.
- **Options include** - Truck-mounted units and hydraulic lids.

If you handle mostly solid manure, a Gehl box spreader has the performance features you want at a price you'll appreciate. Features include special Gehl-Tuff flooring that prevents the apron from freezing to the floor and lets manure slide out with little resistance; 12-gauge, corrosion-resistant GEHL STEEL sides for strength and endurance; wide-spread beater paddles for wide, even spreads; constant velocity pto; and a standard two-speed worm drive transmission. Add a 10-year warranty on the floor and sides and you have an unbeatable package available only from your Gehl dealer.
