**NO. 1 DAIRYING DIESEL**

Since 1968 F2L-912 diesels have earned the reputation as the most reliable diesel. Don't settle for less.

**EASIER STARTING:** Heavy flywheel provides easy starting. No electric heater plugs.

**QUIETER:** Runs quieter than most water cooled diesels. Very quiet exhaust.

**Continuous Duty Rating:** 26.5 HP @ 1800 RPM

Fewer repair parts than comparable three-cylinder diesels - cheaper to overhaul.

It has direct injection, lube oil cooling, and oil cooled pistons. This engine has proven to survive the extreme heat of a heavy load in a small engine house better than any other engine.

PLUS-FAMOUS DEUTZ FUEL ECONOMY
