

Unmatched dump reach

New Holland Super Boom loaders lift the payload forward as the boom rises so you get more forward reach where you need it most.

Super Boom loaders also feature:

- A longer wheelbase for greater stability.
- An integral cab and rollover structure.
- Gas or diesel, air- or water-cooled engines from 18 to 57 horsepower.
- Operating loads from 600 to 2,050 pounds.

Ask for a demonstration. Find out how much better a skid-steer loader can be.
