JOHN DEERE

MAXIMIZER COMBINES DELIVER ON THEIR PROMISE. EVEN WHEN CONDITIONS AREN'T PROMISING

"Bigger capacity. Cleaner grain and more of it." That's what new technology Maximizer combines promise. And they deliver in all harvest conditions—good, bad and indifferent.

Threshing capacity is thorough and gentle with a larger slower-speed cylinder and large concave area. Samples are cleaner, thanks to the Quadra-Flo™ system with its pre-cleaner, four high velocity

fans, chaffer and sieve.

Stop in. You'll see that the total feature combination, along with traditional John Deere reliability and dealer service, gives you more reason than ever to go Maximizer. That's a promise.
