**WAIVER TO 5/1/92 OR... 18 MONTH 0% INTEREST
ON CASE - IH HAY EQUIPMENT**

**BIG CAPACITY AT A
DOWN-TO-EARTH PRICE**

**Case International
8350 Mower Conditioner**

If you want to process more hay faster, check out the Case International 8350 Mower Conditioner. It lets you make high volume 12-foot cuts while still leaving fast-drying nine-foot swaths. Or eliminate raking by adjusting the swath shield to form smooth, even windrows. All at a price you'd expect to pay for a smaller unit. You also get

- Aggressive to gentle conditioning as needed
- Two augers for more even distribution across full width of the conditioner
- Counterbalanced springs for outstanding vertical and radial flotation
- Hydraulic cylinder for changing tongue from field to road position from tractor seat

For more output at less cost, come see us.

**BIG CAPACITY FOR
SMALLER
ACREAGES**

Case International 5420 Rectangular Baler

Capacity and dependability — you get both with the Case International 5420. This modern high-output haymaker turns out bales of up to 70 pounds, fed by a positive dual action packer system that's gentle enough to preserve leafy hay.

- There's more
- Makes bales 24 to 44 inches (610 to 1118 mm) long
 - Four-bar 60 inch (152 m) effective width, 72-tooth pickup sweeps fields clean
 - 540 rpm PTO constant velocity double U joint driveline and 87 spm plunger with counterbalanced crankshaft promote smooth stable operation and superior overall performance

Stop in . . . look over the 5420 today.
