GOOD GEHL MOWER CONDITIONERS

Gehl keeps it simple. Gehl products have been responsive to farmers' needs for over 130 years. And in that time, we've gained a reputation as a leader—introducing innovative products that stress performance and reliability.

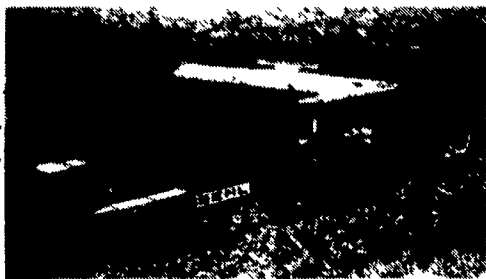

Design simplicity translates into less downtime. That means your Gehl equipment will operate at its maximum cost-effectiveness well into the future.

9' w/Hydraulic Swing Eligible For Waiver

Gehl's mower conditioner line continues that tradition. Uncomplicated sickle and conditioner roll drive systems deliver extra cutting force and thorough conditioning, with fewer moving parts.

With Gehl mower conditioners you get:

- High-speed cutting. At up to 1640 strokes-per-minute, you'll get through tough cutting conditions with ease.

- Outstanding conditioning. Ultra-fast drying times—a result of intermeshing rubber rolls with intermittent ribs that provide more working edges than continuous-ribbed rolls.
- Three point flotation support. Lateral and vertical flotation for clean cutting in uneven fields and fast reaction for cutterbar protection from field obstructions.
- Easy serviceability. Simple design, easy adjustments, lower maintenance and less wear. Gehl mower conditioners are available in 7- and 9-foot conventional models or 12- and 14-foot swing frame units.

BOTH OF THESE MOWER CONDITIONERS ARE SOLD WITH 2 YEAR WARRANTIES!

12' Swing Frame

Meet the new 1100 Series

These all new Case International compact tractors live up to the reputation of the popular MAGNUM™ and MAXXUM™ tractors. The 1100 Series tractors give you the rugged durability and all around versatility you need.

Reliable and productive. Mowing, Garden tilling, Landscaping, Snow removal, Livestock clean up. Let an 1100 Series tractor tackle any job you have with easy on, easy off implements, power steering, hydrostatic transmission and mechanical front drive (MFD).

Comfortable and convenient. The cushioned, high backed seat keeps you comfortable while controls are right at

hand. The steering wheel even tilts in and out of working position. For your convenience, the mid mount mower has its own hydraulic lift and PTO, so you can power other implements without removing the mower.

Now you can get the durable performance of Case International MAGNUM and MAXXUM tractors in a compact size. See the new 1100 Series tractors today.
