

## Speedy handling of a sloppy job

From sloppy material to pen-packed manure with bedding, New Holland side-delivery spreaders handle a variety of materials quickly and cleanly. They also spread poultry, free-stall and gutter manure from barn cleaners.

New Holland side-delivery spreaders give you precise control over the amount of material per acre. Spreading rates are hydraulically controlled, providing uniform spread patterns. The Ford New

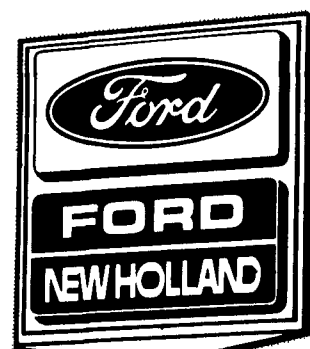

Holland warranty gives you full protection against tank rust-through for ten years. High-strength, corrosion-resistant steel, also used in other areas of the spreader, assures maximum durability and performance.

Now New Holland side-delivery spreaders come in six capacities, from 1,000 gallons all the way up to 2,400 gallons. See the full line of New Holland side-delivery spreaders today.
