

# Best Values in New Equipment

## If you were an athlete, this would be a gold medal.

Agility, endurance, performance . . . the world's best. That's what you think of when someone mentions winning a gold medal. And it's what you get in Case International MAXXUM™ tractors at 77, 86 and 94 PTO horsepower (57, 64 and 70 kW).

**Built to meet the needs of farmers like you.** MAXXUM tractors stand out from the crowd with features farmers like you demand. Plenty of glass for an unobstructed view. A forward/reverse shuttle shift and optional powershift transmission to make you more productive. Optional creeper speeds for added versatility. Quiet, comfortable cabs to

make long days go easier. Power and traction to handle more work than you've ever done with this size tractor. And that's not all.

**Protection from the industry's best warranty\*.** Every MAXXUM tractor includes the peace of mind that comes with a 5-year/5000-hour warranty. Protection that good tells you these tractors were built right. And if you trade while under

warranty, the coverage is completely transferrable. Just think what that can do for resale value.

**Performance that will win you over.** You may not be a world-class athlete. But as a farmer, you need a tractor that delivers world-class performance day after day, season after season. A MAXXUM tractor. Ask your Case IH dealer to bring one out to your farm so you can give it a workout.
