THE NAME SAYS IT ... it's BETTER BUILT!

It's easy to see what it takes to carry the "BETTER-BILT" logo. Stronger materials... better craftsmanship... greater precision... more efficient design... All-American construction.

For design to finish paint, the BETTER-BILT tank has more to offer... yet it costs no more than an ordinary tank.

When you shop for a tank, compare. Look at the differences. Pick the one that's better built!

For efficient, effective, economical removal and application of liquid manure, the Better Bilt vacuum tank with capacities to 4500 gal.
