

Ever since Woods introduced the world's first successful tractor powered rotary shredder back in 1947, we've never handed you the same old line.

Instead we continue to innovate and improve our products to provide equipment packed with performance, reliability and more value.

The results: a line-up of over 50 powerful products including mowers, rotary cutters, rear scraper blades, backhoes and specialty machines. The best that money can buy.

Send for your free copy of our latest Full Line Catalog today, and take a stroll through the Woods. Discover how many ways our products can go to work for you.
