## PMMB To Hold Public Hearing

O. FRANK DEGARCIA  
PMMB Secretary  
HARRISBURG (Dauphin  
Co.) — The Pennsylvania Milk  
Marketing Board will conduct a  
public hearing for Milk Marketing  
Area Nos 1, 2, 3, 4, 5 and 6, to be  
held 9 a.m., Jan. 9, in Room 309 of  
the Agriculture Building, 2301  
North Cameron Street, Harrisburg.

This hearing is being held pursuant to the provisions of the Milk Marketing Law, 31 P.S. Section 700j-101 et seq., as amended July 31, 1968, P.L. 963, No. 294.

Testimony shall be received concerning the effects of the drought of 1991, as same would affect minimum prices which milk dealers shall pay producers for various classes of milk, minimum prices which milk dealers shall charge to consumers, minimum prices milk dealers shall charge to wholesale customers such as stores, restaurants, institutions, and the like, and minimum prices

which stores shall charge consumers for consumption off the premises for various types, classifications and containers of fluid milk and milk products.

Testimony also shall be received concerning proposal of Atlantic Dairy Cooperative to amend Official General Orders for Board Areas 1 and 4, and other potentially affected Areas, with minor technical amendments to Official General Orders for Board Areas 2 and 3) to recognize implementation of multiple component pricing.

Interested parties, as defined by Section 801 of the Milk Marketing Law, 31 P.S. Section 700j-801 et seq., desiring to present evidence of a financial nature, including financial statements or accounting schedules of any type, any type of economic statistics, or any other type of testimony, shall request to be Interested Parties, and shall reduce

all such evidence to exhibit form and/or to the form of written testimony, which shall be served upon the Board and all Interested Parties so as to be received on or before Jan. 2, 1992.

The staff of the Board shall reduce all evidence of the type indicated hereinabove that it desires to present at this hearing to exhibit form and/or to the form of written testimony which shall be served upon the Board and all interested parties so as to be received on or before Jan. 2, 1992.

Rebuttal evidence of the type described hereinabove shall be reduced to writing in exhibit form and/or to the form of written testimony, which shall be served upon the Board and all Interested Parties so as to be received on or before the Pre-Hearing Conference scheduled for Jan. 3, 1992 at 2 p.m.

At least ten (10) copies of written testimony and/or exhibits of the type described hereinabove shall be available in the Hearing Room by the sponsor of the testimony for the use of persons whose appearance was not entered as Interested Parties under Section 801, 31 P.S. Section 700j-801, but who are attending the hearing.

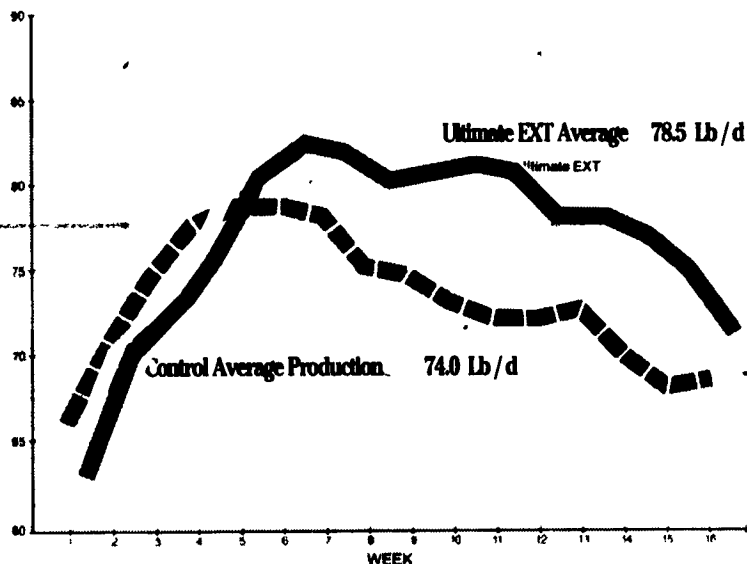

Evidence of the types indicated hereinabove which has not been submitted to the Board and served in accordance with the schedule enumerated above may be excluded from the record of this hearing.

Any party wishing the Board to take administrative notice of any document shall provide sixteen (16) copies of said document at the time notice is requested, and shall at such time provide one (1) copy of the document to each Interested Party who has entered an appearance.

Requests for members of the staff of the Board to provide and/or present data pertinent to this hearing shall be made in writing and submitted to the Board, so as to be received on or before Jan. 3, 1992.

There shall be a Pre-Hearing Conference of all Interested Parties with the staff of the Board on Thursday, Jan. 3, 1992, in Room 110 of the Agriculture Building, beginning at 2 p.m.

## Introducing Ultimate EXT.™ The Nutritional Breakthrough That Helps Cows Reach New Heights.

Results of Research Trials

Now there's a high-energy dairy feed that can help your best cows produce even more milk: new Ultimate EXT™ from Purina®.

As the lactation research chart above shows, Ultimate EXT has enabled cows to reach higher peak production and hold it longer, resulting in an average increase of 4.5 pounds a day per cow, while maintaining milk composition levels. The field

production response in over 6000 cows showed an average increase of 5.0 pounds a day per cow.

Ultimate EXT also helped those cows to maintain body weight after calving and improve their overall body condition, which can enhance breeding efficiency.

Take your income to new heights, too. Call us today about Ultimate EXT and turn your good cows into great ones.
