

Best Values in New Equipment

Everything you liked about the 585 tractor is now in the new 595.

595 Tractor (52 PTO hp/38.7 kW)

And you get a lot more, too. Including new transmission options (like a synchronized shuttle shift and creeper speeds) and easier, faster shifting between gears. Vacuum fluorescent instrumentation in all cab models. Exceptional visibility. And loaders improved for better visibility and serviceability. All to make the work go easier and faster.

Best of all, the new Case International 595 tractor promises the same durability and reliability you've come to expect from the 585. So you get the performance you're accustomed to, year after year.

See the new Case International 595 tractor today.
