Speedy handling of a sloppy job

From sloppy material to pen-packed manure with bedding. New Holland side-delivery spreaders handle a variety of materials quickly and cleanly. They also spread poultry, frost-killed and gutter manure from barn cleaners.

New Holland side-delivery spreaders give you precise control over the amount of material per acre. Spreading rates are hydraulically controlled, providing uniform spread patterns. The Ford New Holland warranty gives you full protection against tank rust-through for ten years. High-strength, corrosion-resistant steel, also used in other areas of the spreader, assures maximum durability and performance.

HOLLAND HAY & FORAGE EQUIPMENT

Faster and tougher

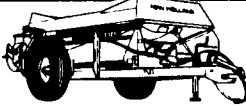

The "565" New Holland square baler from Ford New Holland works faster because of a wider Super-Sweep pickup.

And it's tougher, too, with a new high-strength bale case and plunger construction, as well as a beefed-up Flow Action® feeding system.

Add it up, and the New Holland "565" consistently gives you tight, 14x18-inch bales.

Stop in today for a demonstration.

We have a spreader for any farm

Only Ford New Holland offers seven quality spreaders to match any farming operation, including yours.

Model	Cap.	(Bu.)
213	108	
329	138	
514	177	
820	217	
880	287	
791	380	
795	418	

- Corrosion-resistant steels are used throughout for tough, long-lasting construction.
- Plus adding optional slurry slides on the Models 514, 520 and 680 increases capacity up to 25% at a fraction of the cost.
- Blended Protection, the exclusive lifetime guarantee, covers the floor and slides. Ask us for details.

You can be sure come baling time

Don't take chances on a breakdown in the middle of your harvest. Replace that old worn-out round baler with a gleaming new Model 848. The roll-bar design gives you sure, fast core formation and increased bale density.

Get a gutsy performer

We have a gutsy performer for you- the Ford Model 5610 with 62-PTO horsepower, it's got a beefy 256-cubic inch diesel engine- the largest in its class. So it takes on tough jobs.

Ford 1520 Compact Tractors that fit you— and your needs, too... As Well As Being Priced Right!

Ford compact diesels give you more power than you'd expect from a compact diesel. They offer a bigger average cubic-inch displacement (CID) than leading competitors so the engine doesn't have to work as hard to generate its horsepower. And that means lower rated engine speeds, less wear and noise and better fuel efficiency.

Stop in and see the Comfortable Ones. There's one just right for you.

Take charge with this mid-size performer

Our 86-horsepower Model 7710 has big power. The 268-cubic inch turbo-charged diesel engine puts acres behind you fast. And it's fuel-efficient, too.

Unmatched Dump Reach

The New Holland Super Boom Loaders lift the payload forward as the boom rises so you get more forward reach where you need it most. Super Boom loaders also feature:

- A longer wheelbase for greater stability.
- An integral cab and rollover structure.
- Gas or diesel, air- or water-cooled engines from 18 to 57 horsepower.
- Operating loads from 600 to 2,050 pounds.

Ask For A Demonstration!

The Model 355 grinder-mixer unloads a full, 100-bushel tank in less than five minutes! The mixing auger thoroughly mixes your ration from the bottom up to produce consistent, uniform feed. Optional electronic scales gives you accurate control of rations. There's a lot to like about the "355"...including the deal we can make on it. Give us a call, soon.
