

# Best Values in New Equipment

## If you were a jockey, this would be Secretariat.

Power, speed, performance ... the best of its kind. That's what you think of when someone mentions a famous Thoroughbred like Secretariat. And it's what you get in Case International MAXXUM™ tractors at 77, 86 and 94 PTO horsepower (57, 64 and 70 kW).

Built with farmers like you in mind. MAXXUM tractors are in a class by themselves, with the features farmers like you demand: Plenty of glass for an unobstructed view. A forward/reverse shuttle shift and option-

al powershift transmission to make you more productive. Optional creeper speeds for added versatility. Quiet, comfortable cabs to make long days go easier. Power and traction to handle more work than you've ever done

with this size tractor. But that's not all. Put a Thoroughbred to work for you. You may not be a jockey. But as a farmer, you need a tractor that performs like a Thoroughbred day after day, season after season. You need a MAXXUM tractor. Ask your Case IH dealer to bring one out to your farm so you can put it through its paces.
