

## Best Values in New Equipment

# Get Even Stands

There's nothing more important to a crop than early, even emergence. To get it, you need accurate, even seeding, and a Case International 5300 End-Wheel Drill.

The 5300 has earned a reputation for its seeding precision, a function of its exclusive feed cup design and dependable disk openers. And, to improve placement of seed, the opener drawbars are heavier

than on previous models. Press wheel and opener bearings are heavier for long life operation.

Along with accuracy, the 5300 gives you fast, high capacity seeding, so you spend less time refilling hoppers.

Stop in and see the 5300 End-Wheel Drill today.
