Harsh Mobile® Mix Feeders

Total Mixed Rations give your cows balanced nutrition in every mouthful. Harsh Feeders produce TMRs quickly and easily. Here's how: • Four augers mix rations faster and more thoroughly. • Gearbox reduction needs less horsepower than high-speed chains. • Handles many feed ingredients, including long alfalfa hay. With the improved feed efficiency and reduced feed waste you'll get from TMRs, you could increase milk production. In fact, your Harsh Mix Feeder could very well pay for itself!
