SURPLUS PAINT LIQUIDATION

We have thousands of gallons of the highest quality, industrial grade paint available as a result of military base closing and cancelled government contracts. All these paints are made to comply with strict federal specifications by manufacturers who mainly supply the industrial markets. Many were designed for extreme duty making them a superior choice for farm applications.

Look over the list below and call for more details. Even though we have shipments coming in regularly, we cannot guarantee what we have today we'll have next month. So, buy now while we have it - most can be stored for several years.
