

Corn planting got underway on the Leon Musser farm located along Auction road between Mt. Joy and Manheim in Lancaster County. The ground worked nicely after the rains. The Mussers had 12 acres of corn planted with more than 300 acres to go on Wednesday afternoon. In the photos, top, the Musser home farm with room for 100 cows. In addition, the new chicken house on the left is just rebuilt after a fire in January. Middle, Arlyn prepares the soil with big equipment. Bottom, Leon and Kerek replenish fertilizer in the corn planter. Photos by Everett Newswanger, Managing Editor.

# SILO BALES!

Vermeer SW25-FL Silage Wrapper

## Wrap Up Bigger Profits With High-Moisture Bales.

Introducing an entire system designed specifically for harvesting high-moisture hay and silage:

- Vermeer Gator Mowers ... capable of cutting through virtually everything, from wet trampled hay to fire anthills
- Vermeer 504 Silage Baler ... the only baler in the field today specifically designed for high-moisture baling, and able to handle the extra weight
- Vermeer Silage Wrappers ... seal the freshness and nutritional value of balage and silage within a tightly stretch-film-wrapped package, one that's resistant to weather conditions and rodents

Vermeer 504 Silage Baler

### The Bottom Line ...

- (1) valuable, highly palatable hay packages — *individually wrapped* — that feed out fresh and improve the health and performance of your herd,
- (2) increased milk production and greater weight gains for your dairy herd and beef cow operations,
- (3) a reduction in the costs of livestock inputs directly effecting your profit margins, less storage and equipment expense. Discover the savings, the quality, the improved livestock performance!

## CHORE-TIME OFFERS YOU A CHOICE

MODEL C2

MODEL H2

MODEL C2

MODEL H2

**F**eed broilers your way! As the world leader in broiler systems, Chore-Time offers you a choice of feeders. If you like a grill, you'll love what our newest feeder—the Model C2™—does for you. Features include feed-saving pan/grill combination, labor-saving feed windows, and durable all-plastic design.

If you prefer a grill-less feeder, our Model H2™ is available in three versions (shown at right). Each is designed to handle different needs and styles of management.

Whichever Chore-Time feeder you go with, you'll know it's the right choice, because it's from Chore-Time.

Get the complete system—feeding, ventilation, watering—all from your Chore-Time Distributor
