OPTIONS

When you're comparing tractors...

CONSIDER ALL YOUR OPTIONS

There's more than one way to get the work done. Ford 32- to 55-PTO-hp tractors offer you options to do more.

Compare to other tractors in this category, and you'll find Ford utility tractors offer more choices:

- 8x2, 8x8 or 16x8 Dual Power™ transmissions
- Shuttle transmission
- Quietest cab in its class
- Your choice of hydraulic systems
- One to four remotes
- Four models
- Optional fuel capacity

So when you're comparing tractors, stop by and consider your options. You'll opt for a Ford utility tractor. More of what you need.
