

# Gro-Lan Farms Crop Days Winners

**YORK (York Co.) — Jay E. and Jeff L. Grove of Gro-Lan Farms, Shippensburg were winners at the 1992 Franklin County Crop Days. They received three days use of a Bobcat-skid loader compliments of York Farm Credit and Clugston's Ag and Turf.**

**The Grove's are brothers and partners in Gro-Lan Farms, a dairy operation in Franklin County.**

**From left, Jay and Jeff Grove receive keys to the Bobcat skid loader from Nathan Strite of Clugston's Ag & Turf.**

## The Best of the Best

The Wheeling 2 oz. Seal of Quality coating represents the best of the best in the Wheeling Corrugating line of premium galvanized roofing and siding. Every panel that carries the 2 ounce coating assures you are getting the toughest, the most durable, the most corrosion resistant galvanized sheet available in today's marketplace.

### Genuine Old-Time Quality

Every Wheeling 2 oz. sheet is manufactured from heavy gauge steel, topped with an extra thick zinc coating, and formed into profiles that contribute strength and good looks. Build with a Wheeling 2 oz. sheet and you'll be working with the kind of durability and dependability that's been a standard in the industry for almost 100 years.

### The Proof is in the Process

The performance behind the Wheeling 2 oz. Seal of Quality is possible because of Wheeling's patented Cook-Norteman manufacturing process. This technology allows a more consistent quality product, and a more uniform coating with unsurpassed zinc adhesion. The process takes more handling and more

time, but the end result is a superior premium panel that has its own limited 20-year performance warranty.

### Dimensions and Specifications

If your building plans call for roofing and siding materials with exceptional corrosion resistance, minimum upkeep, and old-time toughness, you'll want to check the specs of Wheeling 2 oz. Seal of Quality galvanized.

Gauge: 28  
Lengths: Up to 40'  
Steel: Full hard, 90,000 psi, cold rolled Wheeling-Pittsburgh carbon steel.

NOTE: Premium Wheeling 2 oz. Seal of Quality zinc coated natural roofing and siding will outlast painted, regular galvanized or galvalume in most applications!
