LANDSCAPING

When you're comparing tractors...

**FORD OFFERS
THE LANDSCAPER
MORE**

Top link sensing on Ford 32- to 55-PTO-hp tractors offers the ultimate in 3-point control for implement or blade work. Two-lever control allows precise adjustment for proper depth and pull requirements.

Check out these other performance features:

- Deluxe closed-center hydraulics let you adjust the flow rate for each remote
- Hydraulic and draft/position controls are within easy, natural reach to the right
- Optional 6x8 synchronized transmission allows easy shifting on-the-go
- Standard telescoping stabilizer and flexible link ends allow fast, easy hook up.

When it comes to landscaping, no other utility tractor compares to Ford. Let us demonstrate.
