

# This one's for our best alfalfa!

Wilmer Shertzer (right) and Penn Jersey's Dick Enck in front of Wilmer's newly-constructed 2070 Harvestore® structure, his second for forage. The Shertzer family dairy also uses a Slurrystore® System to handle manure.

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location. Harvestore is a registered trademark of A.O. Smith Harvestore Products, Inc.
