**Introducing the 1120.**

**IN STOCK READY TO WORK! COME & SEE**

The Case International 1120 is an all-new compact tractor that lives up to the reputation of MAGNUM™ and MAXXUM™ tractors. With 19 engine HP (14.2 kW), it gives you the rugged durability and all-around versatility you need.

The 1120 is packed with features for mowing, including power steering and optional hydrostatic transmission. The mid-mount mower attaches easily and floats gently over grass, for a more attractive cut. And it has its own hydraulic lift and PTO, so you can power other implements without removing the mower. That's convenience.

The cushioned, high-backed seat keeps you comfortable, while controls are right at hand. The steering wheel even tilts in and out of working position.

See the new 1120 today. It's a cut above the rest.
