**FREE YOURSELF FROM
SPREADER CHAINS AND
SAVE MONEY**

The proven Hydra-Spread design can free you from the grief and maintenance of spreader apron chains for good!

This low maintenance spreader features solid poly boards both on the sides and the floor for slippery, no-stick performance. Hydraulic push power replaces the extensive mechanism needed in ordinary spreaders.

Why pay more for yesterday's ideas and designs? The design of tomorrow is PRICED RIGHT and will be on the job for years. We deliver to your farm.
