## QUALITY CHORE-TIME BINS

We Assemble, Deliver & Set-Up Bins On Your Farm

Picture Showing CHORE-TIME Bin Set-Up With Hydraulic Bin Trailer

Models Available: Your Choice Of 6, 7, 9, 12 And 15 Ft. All Galvanized Hopper-Bottom Bins

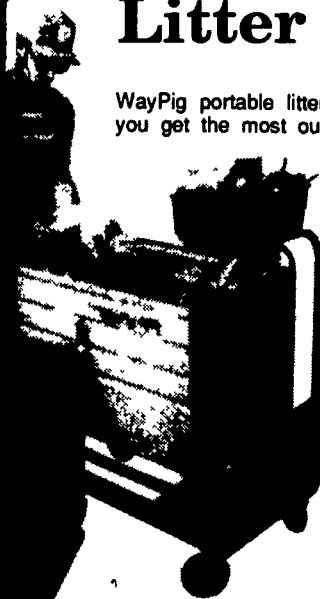

**genuine FLEX-AUGER**

Whether you're modernizing an existing feeding set-up — or starting from scratch — Chore-Time's extremely energy-efficient FLEX-AUGER® Feed Delivery System is the best way ever devised to convey free flowing feeds (including high moisture corn rations containing up to 27% moisture) up down or around corners — economically.

The simple FLEX-AUGER system has no corner cogs, gears, connections or pins to wear out. FLEX-AUGER is simple to install and maintain (specially-formulated PVC tubes slip and glue together).

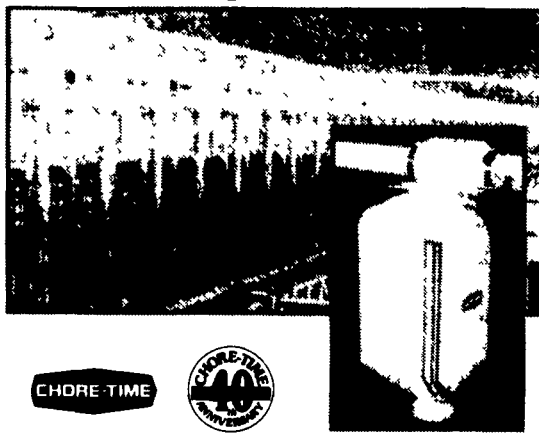

## Improve Your Litter Management!

WayPig portable litter scale provides accurate information to help you get the most out of your hog operation. Just place an entire litter in WayPig — the new, oversized scale gives you clear, precise read-out to total litter weight. WayPig's compact design lets you glide easily through narrow aisles. Allows you to efficiently process and weigh pigs right at the farrowing area. And the sanitary, all-metal construction provides years of durability.

## CHORE-TIME

**Made to Work. Built to Last.**

That's the reputation Chore-Time has earned as the feeding systems leader with its plastic drop feeders for hogs. These hard-working feeders are easy to install and fit nearly all models of Chore-Time's famous FLEX-AUGER® Feed Conveying Systems, including a model for high moisture corn rations. They make it easier for you to keep your sows in top condition by helping you to feed each sow just the right amount each time — each feeder easily adjusts to accurately dispense up to 10 pounds of ration per feeding. And because they are built from top quality, corrosion-proof polyethylene plastic, these durable feeders can also survive corrosion hog-house environments. Get all the facts by contacting your Chore-Time distributor or us today.

## Tenderfoot... "Permanent Bedding" for your livestock.

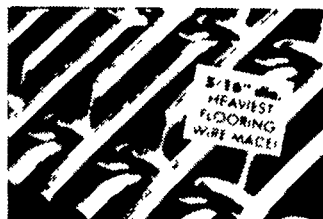

- A Softer, Warmer, Bedding-Type Environment for Nursery/Farrowing
- Reduced Knee & Leg Abrasions
  - Reduced Incidence of Spraddle Legs
  - Reduced Underline Problems (Teat Necrosis)
  - Reduced Room Noise Levels
  - Insulated Surface Controls Heat Loss
  - Strong But Soft Coating, Extended Life

## TRI-BAR® FLOORING SYSTEM

TRI-BAR® flooring systems provide a clean, safe and comfortable slatted floor for pigs.

Especially developed for farrowing/nursery crates. A unique self-supporting floor with optional built-in circuits for heating of the piglets place.

## BOSS HOG® WOVEN WIRE

Super-Heavy 5/16" Dia. or Heavy 3-GA.

BOSS HOG'S Flooring offers greater surface area, superior cleanability, proven longer life—and BOSS HOG'S exclusive "Double Smooth" design.

## Philips

**Save 30% On Your Electric Bill with our 175 Watt Heat Bulb**

Long Lasting 5,000 Hours

These 175 watt heat lamp bulbs put out as much heat as a 250 watt bulb but use 30% less electricity at \$.10 per K.W.H. that's \$37.50 over the life of the lamp. Even better, if you run 40 lamps that's a savings of \$1,500.00.

Bulbs are Heavy Duty Industrial type with high brass base and are resistant to urine and water splash damage, so you'll save even more on those costly breakage problems.

15 bulbs/case
