### A SALUTE TO DAIRYMEN. EVERY MONTH IS DAIRY MONTH WITH US.

In June a lot of people pay tribute to dairy farmers because it's National Dairy Month.

At Hamilton Bank, we feel you deserve credit a lot more often than that. Managing a successful dairy operation requires working capital all year round. So we're here to help you meet your capital requirements whenever you need us.

Dairy is the major agricultural enterprise in Pennsylvania and accounts for 31.3 percent

of the total agricultural production value. The total annual volume of dairy production for our seven-county area is \$503 million. This represents 33.3 percent of the yearly production for Pennsylvania. Now that's a record you can point to with pride, and we're proud to be able to help - any way, any time. At Hamilton Bank, every month is dairy month!
