

# One standard of quality #1 in the field

## Disc Mower-Conditioner

The New Holland Model 411 Discbine® disc mower-conditioner handles the toughest conditions without plugging.

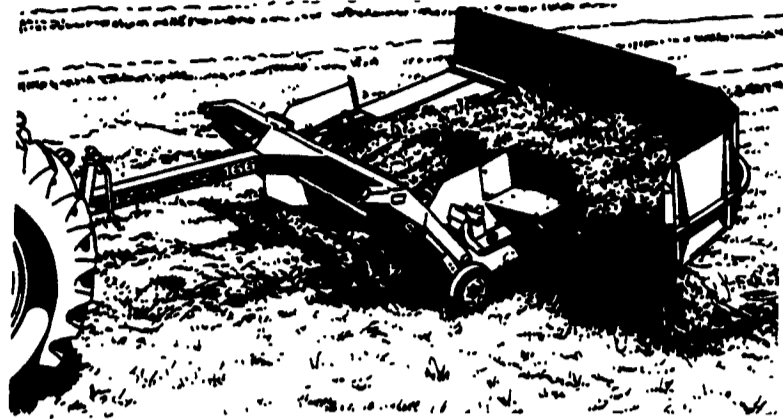

- Ten-foot cuts
- 84-inch rubber conditioning rolls
- Mows through fine ant hills, gopher mounds.
- Slices under down, tangled crops/

## Square Balers - Model 565

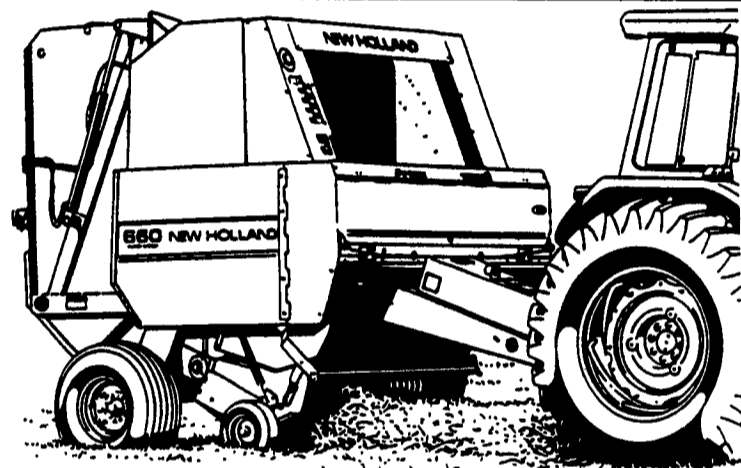

The "565" New Holland square baler from Ford New Holland...redesigned to meet your capacity and quality requirements.

- Wider Super-Sweep Pickup • Bigger feed opening
- Stronger feeding system • Stronger materials
- Gear-driven tying systems

## Windrow Inverter - Model 166

The New Holland Model 166 windrow inverter will change the way you make hay — for the better. The Model 166 speeds drying time as it lifts, fluffs and turns windrows without roughing-up the hay. And, keeping more of the protein-rich leaves intact means you get high-quality hay into the bale or silo, fast!

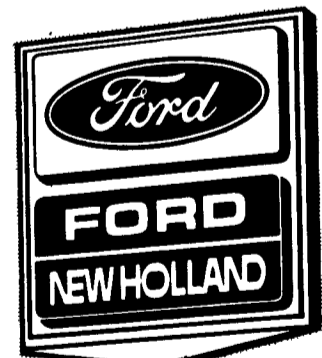

## Round Baler - Model 660

The New Holland Model 660 Roll-Belt™ round baler delivers high capacity and excellent reliability. That results in measurable difference in hay production and bale quality. A difference you can see in every bale.
