

Delmarva Broiler-Fryer

EDISON, NJ
JULY 29, 1992

Movement of ready-to-cook whole birds continued light. Supplies were adequate to ample. Less than trucklot asking prices were unchanged at 50 to 63 cents. Live

supplies were moderate. Weights were light to desirable, and improving. Slaughter schedules were moderately heavy. Trade sentiment was steady at best. In the parts complex, all items were at least adequate for the light buyer interest.

New York & Philadelphia Frozen Egg Report

Tuesday, July 28, 1992

The market tone was generally steady but cautious. Trading was limited and sellers found it more difficult to get needed values for finished product. Buyers attempted to lock in long range deals at attractive price levels. Raw materials were usually readily available with several further processors concerned about declining quality. Floor stocks were fully adequate to ample.
