**MOVE MORE LIFT MORE DO MORE!**

The new L-Series Kubota tractors are designed to finish every light construction job with power, ease and improved working efficiency.

Increased front loader lifting capacities help you move more material and lift heavier loads. A powerful hydraulic system results in shorter cycle times.

You'll also be able to do more with the compact Kubota L-Series - 23-49 PTO HP, tight turning radius and 4WD. And the innovative "Ever-Clutch" - a first-of-a-kind wet clutch that doubles clutch life and even comes with its own warranty.

Demanding construction jobs demand more options. The L-Series has them, including a hefty 3-point hitch, a variety of performance matched implements and industrial tires.

Come see how much more you can do with a Kubota.

SAVE THOUSANDS!
