

Best Values in New Equipment

Everything you liked about 85 Series tractors is now in the new 95 Series.

And you get a lot more, too. Including new shuttle shift and creeper speed transmission options and easier, faster shifting. Easy-to-read instrumentation in a new, enlarged control console. Exceptional

visibility. All to make the work go easier, and the days go faster.

Best of all, Case International 95 Series tractors promise the same durability and reliability you've come to expect from the 85 Series. So you'll get

dependable performance year after year.

Ask your Case IH dealer about the new 95 Series line, available in 35, 42, 52, 62 and 72 PTO horsepower sizes.
