

ROLLING ON...IN THE 90's

MEETS THE CHALLENGE

When Looking For Quality — BUY BRILLION

PP PULVERIZERS

This model pulverizer is designed for use with CAT. 13 point hitch tractors. The pulverizers are available in 6', 7', and 8' widths. They are available with your choice of three roller wheels. 16 1/4" notched, 16 1/2" crowfoot, and the 20" notched ductile iron wheel.

Also Avail. As Pull Type

P SERIES PULVERIZERS

New P10 Series Single Gang available as pull type or transport. 10 ft. thru 16 ft. available with most old style rollers and the new 20" Ductile Wheel. Also Available As Pull Type.

X-FOLD PULVERIZERS

The X-Fold pulverizers are designed to meet the needs of today's larger acreage farmers... and Brillion offers them in two models and 11 sizes from 19' through 46'. Now available with 20" Ductile Wheels.

FLAIL SHREDDERS

FLAIL SHREDDERS Heaviest gearbox on the market eliminates the number one cause of downtime. Available in 12' and 15'. Either cup or side slicer knives. 540 or 1000 RPM.

SPRINGTOOTH HARROWS with "INSTANT" TRANSPORT

STS and STR series have low profile design with heavier tooth mounting bars, longer wheel wells and PRE-SET depth control. STR models have "C" shaped or ribbon teeth. STS models are equipped with spring tines. 8 to 20 ft.

BRH & BRFF RO-CROP CULTIVATOR

Mini Tillage
The heart of the BRH Ro-Crop is Brillion's No-Wobble Parallel Linkage. Heavy duty is an understatement, the linkage for each gang weighs over 50 pounds. Strength where it's needed, a Brillion tradition. Heavy duty straight edge shanks allow high-speed tillage without throwing dirt or residue. Underframe shank clearance of 25" allows you more days to cultivate your crops before they get too tall 4, 6, 8, 12 row

NEW 3 PT. FIELD CULTIVATORS

Brillion has designed a 3 pt. S-Tine field cultivator with a larger, aggressively angled 12" diameter rolling basket, a 4-bar frame that allows for either 4" or 6" tooth spacing and an adjustable leveler bar in 12', 15', and 18' sizes. The distance between the four bars has been increased for the best trash flow in the industry. Gauge wheels are optional

FLAT FOLD CULTIVATORS

This distinctive Brillion features results from rigid parallel links made of high strength gray iron — each link weighs 12 pounds. The ends are fitted with 2" wide Nylatron sleeve bearings. With this wide bearing surface, frequent resettings in the field are eliminated. 6-8-12 Row.

NEW SS8 & SS10 SEEDERS

Box size over 4 bushels. A simplified drive system allows for seeding rates up to 50% greater than previous models. A heavier drawbar and frame was designed for use in more rugged conditions. Available in 8' & 10' Lift Type and 8' & 10' Hydraulic Transport Model. 12' SST 144 Also Available.

LANDSCAPE SEEDERS

Like the larger models, the 5'4" crushes, seeds and rolls in one operation, tucking seeds in the top 1/4" of the soil... in a firmed clod-free seedbed that gives thick, even stands at greatly reduced seeding costs. The shallower seeding depth is just right for controlled moisture and growth conditions.

TURF MAKER SEEDERS

This Brillion specialty seeder utilizes the same world famous seeding method made popular by the "Sure-Stand" agricultural model grass seeder. Variations in seedbox capacity and seed metering mechanisms make these the ideal seeder for special requirements of professional landscapers, turf and sod raisers. 8 and 10 ft.
