TAM-AGRI CORPORATION... "THE SYSTEMS PEOPLE"

Some of you already know us... The rest of you should! Because without us you could be spending more than necessary for grain drying processing and storage. For nearly 18 years now Tam-Agri has worked to provide the finest names in the agri-industry combined with expert service and quality mill wrighting.

If you know us, you'll recognize these facts to be true. If you don't know us, it's time we met. Make it a point to visit us at the Ag Progress Days.

I can't attend the 1992 Ag Progress but I'd like to know more about:
