## FINALLY! AN OIL ADDITIVE THAT REALLY WORKS!

Satisfaction Guaranteed Or Your Money Back

Increase MPG  
Less Wear  
Non Flammable

# IXL

Anti-Friction Metal Conditioner

Science brings a new dimension to Anti-Friction  
A metal conditioner product ahead of its time, IXL will give your equipment  
priceless protection. IXL gives protection far superior to just oil or lubricants.  
IXL is specifically designed to be used in: (NEW) and (USED) gasoline & diesel  
engines, compressors, automatic & manual transmissions, hydraulics, gear  
boxes, bearings of all types, turbos, pumps, and much more. IXL is a metal  
conditioner which treats all ferrous metals 3 to 5 microns deep, thereby mak-  
ing the metal surfaces harder, denser and smoother. These results are mini-  
mum metal wear, giving maximum engine and machine life. IXL reduces heat,  
friction, and wear, up to 75% without changing tolerances, reducing friction  
will release energy previously expended to overcome ordinary mechanical  
resistance. This energy is now available as a positive force, working to  
increase power, performance and fuel savings. IXL, also helps maintain and  
recondition seals and gaskets, by keeping these items pliable, firm, and flexi-  
ble. It will help prevent leaks, IXL is not a lubricant fortifier, such as PTFE,  
Moly, or graphite. IXL is biodegradable, NON-TOXIC and environmentally safe.  
IXL is one of the highest quality products on the market today.
