Fixed competitive payments
Flexible payment schedules
Year-end tax planning
100% deductibility

Some people get all the breaks.

Put the breaks on your tax bill. Get your equip-
ment with a true tax lease by December 31 and
your payments are 100% tax-deductible as an
operating expense. Plus, with an annual payment
schedule, you can benefit from a large tax write-off
this year and not make a second payment for as
many as 12 full months.

You'll have several more good reasons to look
forward to a happy new year. You can lock in your
order now and take delivery in 1993. You'll enjoy

fixed, competitive payments and can choose a pay-
ment schedule that allows you to skip payments
in the months or season of lowest income. You
also can get whatever you want right now without
jeopardizing your ability to fully depreciate other
assets bought earlier in the year.

Find out how lease financing can help you
get all the year-end breaks you deserve. Contact
your local Telmark representative today, or call
315-449-7964.

Note Telmark® leases are available throughout the Northeast, MI, OH, VA, KY, WV, IN, WI and IL. Minimum lease \$5,000 ©1992 Telmark Inc
