PURPOSE The Maryland Holstein Futurity is a project of the Maryland Holstein Association to stimulate interest in the breeding and exhibiting of outstanding Registered Holsteins in Maryland. It recognizes the accomplishments of the small and the large breeder and the FFA and 4-H boy or girl.

PROCEDURE The 1995 Maryland Futurity is to be designated No. 12 and each succeeding numbered consecutively. This Futurity is based upon the nomination of an animal by its owner, to be shown in the Futurity class at a designated show in the year she is of eligible age. Four nominations (payments) are required for each animal that competes in the Futurity: the initial nomination as a calf, a renomination as a yearling, another as a 2-year-old, and the final nomination as a 3-year-old. All nominations are the responsibility of the owner and must be made on regulation entry blanks, accompanied by specified fees and postmarked by nomination dates and other rules set forth below. The accumulated monies received from the four nominations shall make up the Purse for any one year and shall be divided as prize money among the exhibitors according to the placings set forth below.

ORGANIZATION This Futurity is sponsored and governed by the Maryland Holstein Futurity Committee of the Maryland Holstein Association.

ELIGIBILITY Any registered Holstein female born September, 1991 through August 31, 1992 is eligible for the 1995 Maryland Futurity Number 12.

PURSE Purse in this event shall consist of all monies received by this Association in connection therewith by way of nomination fees, subsequent payments, plus all other monies received from any person or persons or Fair Associations, sponsors of this show and etc., except the first payment which may be used for promotion of the Maryland Holstein Futurity if the Board of Directors so choose. All Futurity monies shall be kept in a separate Futurity fund and used only for Futurity purposes.

Should participation decline, the purse will include only those monies available for Futurity No. 12 based on percent of existing schedule.

PRODUCTION AWARDS \$260 will be taken from the purse and divided among the top five winners in the 3-year-old futurity class on the basis of their actual 305-day 2x 3.5% Fat Corrected Milk two-year-old milk production.

Only official DHIA or DHIR records will be considered and these records must accompany the animal and be checked by the committee before the show. Should any condition arise which prevents the showing of this futurity, the right is reserved to call same off and to pay to the persons owning the calves eligible at the time of said calling off, their pro-rata share of all monies accrued in the division called off, after deducting the actual expenses of this association in the promotion of said futurity.

MAINTAINING ELIGIBILITY Eligibility after an animal has been nominated as a calf is maintained by making subsequent payments on the due dates as specified heretofore. This responsibility rests solely with the owner and failure to make the next payment cancels eligibility and all previous fees become part of the Purse.

SALE OF ELIGIBLE ANIMALS When an animal that is entered in the Maryland Holstein Futurity is sold, the eligibility may be maintained by the new owner and it shall be his responsibility to inform the Futurity Committee of the change in ownership. The seller must inform the Buyer that the animal purchased is already entered in the Futurity and it will be the responsibility of the Buyer to submit subsequent fees in accordance with rules and closing dates.

MISCELLANEOUS The Maryland Holstein Association nor the Maryland Holstein Futurity Committee is in no way responsible for the condition of the premises in which the Futurity is held and is not liable in the event of accident or loss to persons or property. All matters pertaining to the showing of the Futurity are subject to the rules, regulations and health requirements of the Show at which the Futurity is held.
