

228 FFA'ers To Receive Keystone Degrees

(Continued from Page E30)

raising and selling rabbits. He has served on the chapter's conduct of meetings, membership development, public relations, BOAC, and banquet committees. A 4-year member of the chapter, he has earned a scholarship pin, a specialty animal production foundation award, first place county window exhibit, first place envirothon team, PCC scholar at Shipensburg, third in county dairy products contest, and awards for participation in the county aquatics contest, county wildlife contest, and Lampeter and Manheim judging contests.

Stan Reever

Stan Reever, 17, of York Springs, is the son of Bruce and Jean Reever. He is vice president of the Bermudian FFA at Bermudian Springs High School and has served as its chaplain. A recipient of the greenhand, chapter and county farmer degrees, he said

intends to attend college for agriculture and become a herd manager and raise his own beef cattle. His projects include beef finishing, beef breeding and dog breeding. He has participated in sandwich and apple cider sales, ag olympics, the Keystone livestock judging, dairy judging, envirothon, the national FFA convention, window exhibits, and is a member of the Adams County 4-H Beef Club. He also keeps a skill and task book.

Jason Reifsnyder

Jason Reifsnyder, 18, of Terre Hill, is the son of Martin and Patsy Reifsnyder, is a 4-year member of Grassland FFA at Garden Spot High School, and for two years has served as its president. He also served as

vice president and second treasurer. He has also earned its Star Greenhand, Star Chapter, and Star Red Rose degrees. He has earned honors taking a state gold medal in poultry judging and land judging. He took a silver medal in the national poultry contest, and was third runner-up in the National "Achievement in Volunteerism Award" associated with the Building Our American Communities Award. He also attended the Washington Conference program, Made for Excellence Conference and the Fall Leadership Conference. He has worked at Wentzels Dairy Farm in East Earl since ninth grade, and he also works at Yoder's Country Market in New Holland. He has served as chairman of the chapter's leadership; earning, savings, and investment; community service; executive; and leadership committees. His plans include attending either Delaware Valley College or Penn State University in pursuit of a

major in agricultural business or economics.

George Reiser

George Reiser, 17, son of William and Diane Reiser, of Cranesville, where he is a 4-year member of the Albion FFA Chapter at Northwestern High School. His projects include raising dairy calves, field corn and doing home and farm improvements for two years and dairy heifer and dairy farm hand this past year. His FFA experience includes being sentinel this past year and being secretary the previous year. He also earned his Greenhand and Chapter Farmer degrees. He said he wants to start in dairy farmer and then go into a trade school to be an auto mechanic.

BUSH HOG®

DIVISION OF  ALLIED PRODUCTS CORPORATION

Winning with quality.

MANY ROTARY CUTTERS IN ONE.

The nine-foot Bush Hog® 3108 Series Rotary Cutter offers you a choice of hitches—3 point lift, pull, or an economical semi-mount attachment for lighter HP tractors.

You can select normal center attach units or models that offset over 80-inches to the right. This makes the 3108 an ideal general-purpose cutter as well as a unique model for work in orchards or along roadsides.

Select manual or hydraulic lift, round blade-holders and choose from a variety of wheel options. Whatever your rotary cutting task, you can equip a Bush Hog 3108 to do the job.

A HIGH LIFT FROM A HEFTY LOADER.

With a lifting height of 11½-feet the Bush Hog 2840 QT Front End Loader has proven a solid choice for cleaning around barns, feed lots and corrals ... for handling manure and for lifting grain and large round bales.

The 2840 QT attaches and detaches quickly to many 60-90 HP tractors, and bucket selections from 60 to 80 inches are available.

Bale spears and fork lifts are optional, along with a quick attachment system that makes changing attachments even easier

Come in today and see the Bush Hog 2840 QT ...and what it can do for you.
