- ◆ Good corn borer tolerance.
- ◆ Good food corn potential.

These new NC+ releases are the result of one of the country's most comprehensive hybrid research programs. They're bred for precise adaptation and proven on NC+ F.A.R.M. Plots in this area. See us today for complete details including Early Payment Discount information.

- Thanks to an abundant harvest, NC+ has reduced its prices on several varieties and sizes of seed. Ask your NC+ Dealer for the details.
- Your NC+ Dealer will also explain how you can earn a free bag of NC+ 5717 - a great dual purpose corn hybrid.
- NC+ offers a 9% early payment discount through January 9, 1993. Volume discounts, too.
