I would like to purchase your 609 tobacco. All I want to do is pay the farmer the most money I possibly can and treat him fairly I am not interested in carrying tails or running other buyers down or criticizing the auction I know every buyer in Lancaster County is important, especially the auction. I believe every farmer should take some of his tobacco to the auction to help support it. I will not be buying at the auction because I cannot get a volume there. I have the best price in the county at the present time. Call 717-575-4062 to find out where my receiving station will be and other details. **CENTRAL TOBACCO CO.** L.L. Irving.
